

HOW MWC CAN HELP PRIVATE EQUITY & PORTFOLIO COMPANIES

STATE-LEVEL INSIGHTS & STRATEGIES

Supplement your federal policy tracking. MWC is uniquely positioned to provide state-level political policy insights, market intelligence and strategic guidance in all 50 states.

ANTICIPATE TRENDS

See what's coming around the corner on the state level. Anticipate trends from a market and policy perspective related to an investment.

IS AN INVESTMENT WORTH IT?

Identify existing or potential state-level policy decisions that impact the value of investments.

ACCESS TO POLICYMAKERS

Identify key stakeholders and decision-makers; access to national political organizations and policymakers across the country.

IDENTIFY OPPOSITION

Identify interest groups and individuals that impact state policy decisions and their political giving patterns.
